

The header features a dark blue background with various scientific and mathematical icons. On the left, there are two Erlenmeyer flasks containing orange liquid, with a yellow starburst above them. On the right, there is a yellow ruler and a beaker containing two test tubes with purple liquid. The title 'Frequently asked Questions' is centered in a large, white, sans-serif font.

Frequently asked Questions

PART 1

- What are we doing this week?
- Weekly assignments are posted in "modules" on the student's Canvas page.
- I missed class yesterday. Can I get a copy of the assignments?
- If a student misses a day, simply go to the Canvas Course on their Launchpad to find the assignment and turn it in there.
- I just failed this quiz! What can I do????!!
- If a student wishes to redo any assignment, quiz, test, or laboratory, they are welcome to come after school (or talk to Miss Nelson) to make it up. Students must complete my Relearn, Re access, Plan. Parents must sign it and students must turn it in to (Miss Nelson).

PART 2

- I need extra help on this assignment!
- Miss Nelson will tutor nearly every day after school, starting at 2:10-4:30 pm. PLEASE do not hesitate to ask for help. I am here for you, I believe in you!!!!!!

- What can I do to bring up my grade?
- Turn in any missing work before the end of the grading period in Canvas (**points will be deducted**).
- How do I know what my current grade is?
- Miss Nelson grades weekly work every weekend. The grade will almost always be up to date. Students and guardians can check Infinite Campus to understand their current status.

PART 3

- Miss Nelson! You put in a missing assignment for me, but I turned it in!
- Please verify that your file went through on Canvas before telling me. I definitely make mistakes. I will go back and fix it.
