**Interventions and Support**

**WE ARE**

**SCMS**

**Studious. Committed. Motivated. Strong.**

# **What is PBIS?**

**PBIS is:**

- **A positive behavior management process to create safe and more effective schools.**
- **A system of clear school wide expectations with consequences and incentives.**
- **Intervention when you need help.**
- **Recognition and celebration of your successes!!**

# What does PBIS do for you?

- Students are recognized and praised for positive behaviors.
- gifts, opportunities to participate in special events, school supplies, materials, etc.
- Students receive interventions to help them refocus their unsuccessful behaviors.
- teacher-student conference, parent contact, reflections, parent conference, administrative referral.

# How does PBIS work?

- All students follow the same set of rules and expectations throughout all areas in the building.
- These rules and expectations are displayed as a matrix, which is posted in every hallway and classroom.
- When students follow the rules and expectations, they are recognized.
- When students do not follow the rules, there are planned consequences to help them get back on track.
