

MEET THE TEACHER

About Me

Hello, I'm Mr. Russell! This is my 20th year in education, and I am looking forward to applying science and mathematics through the Design Process. I enjoy learning and I hope to foster a desire for your student to like to learn, too!

I hold a Bachelors Degree in Chemistry/Secondary Education, a Masters Degree in Education, and and Education Specialist Degree in Brain-Based Learning.

I'm married to a wonderful wife and have 3 great kids who all attend A.R. Johnson!
