

CLASS SYLLABUS

Health Education MYP
Year 1, 2, 3

Grade
6-8

Rm 317

COURSE OVERVIEW

The Health Department and IB believe that health plays a unique and vital role in the child's total development. The Health Department aims to stimulate the mind and spirit of every child. My philosophy focuses on more than researching and learning about the mind but rather real life connections and international mindedness. I encourage students to take responsibility for their personal health while being accountable for their actions.
