

MEET THE TEACHER

Miss. Coleman

ABOUT ME

Hello! Welcome to second grade!

My name is Miss Coleman. I love all things creative — from designing fun learning materials to decorating my classroom with bright colors. When I'm not teaching, I enjoy crafting, organizing, and building my tutoring business. I also enjoy spending time with family, my fiancé, and my fur baby, Milo.

I'm so excited to spend this year learning, growing, and making memories with you. I have a deep love of learning, and my goal is to help every student feel seen, supported, and proud of themselves every step of the way.

Let's make this our best year yet!

— Miss Coleman
