

# welcome to 6th grade ELA!

## DEAR PARENT(S)/GUARDIAN(S),

My name is Ms. Wright! I am so excited to be teaching 6th grade ELA this year at Hornsby Middle. I have been teaching for 11 years.

I am passionate about creating a safe and inclusive learning environment that all students are able to demonstrate success in.

I love to foster a positive learning environment that allows me to educate the “whole child”.

I am so excited to be in the classroom and get to know all of you and your students this year.

This year, I am grateful to be a part of “Restoring the R.O.A.R 2.0” here at Hornsby Middle. I am looking forward to a great school year.

I’m looking forward to a great year!

Sincerely,

Ms. Wright
