

# Meet the Teacher

## About Me

I am from a very small town in the mountains of North Georgia. I moved to Augusta right after I graduated college in 2024. My fiancé's job brought us here!

## Favorite things:

Some of my favorite things include my two dogs, traveling, and spending time outdoors!

## Education + Experience

I have a Bachelor of Science in Elementary Education. This will be my fourth year in education and my second year as a kindergarten teacher. I spent my last two years of college working in a special needs classroom and then completing my student teaching in a kindergarten classroom.
