# MEET THE TEACHER

## **About Me**

Hi, I'm Ms. Vigna! I am originally from California but have lived in Augusta for most of my life. I graduated from Evans High School. I've learned at Georgia Southern University and Augusta University. This is my first year at Copeland Elementary School! I am so excited to see what this school year has in store for us!

When I'm not in the classroom, you can find me baking, by the pool, reading a book, or talking about Disney.

#### **Fun Facts**

- I could eat hibachi for every meal!
- My favorite color is pink.
- I have two dogs that I love very much.
- Baking is my go-to stress reliever. My specialty? Brownies!
- I love anything Disney but Winnie-the-Pooh the most.
