## About Me

Hi,  
I am excited to be at AR Johnson this year.

I am originally from Florida, but moved to the Augusta area 9 years ago due to my husband being stationed at Fort Eisenhower.

My husband and I have been married 12 years and have 2 boys (Exavier, 11 and Archer 8).

I have a dog named Artemis.

## Education

I earned my Bachelor in Elementary Education from Florida State University. I earned my Masters in Science Educations from Walden University. This will be my 12th year of teaching.
