Helping a kid who rarely smiled

- Attendance & Participation – All team members must be present, engaged, and contributing during each meeting.
- Season Schedule – Weekly meetings run from August 2025 to May 2026.
- Absences – More than three unexcused absences may result in probation or removal from the team.
- Team Fees – The $100 team fee is due in two installments: $50 by September 12, 2025 and $50 by October 10, 2025.
- Code of Conduct – All Richmond County Student Code of Conduct rules apply at all times.
- Safety First – Follow all safety procedures in the build space, at events, and when operating tools or machinery. If you are ill, please stay home.

- Electronics Policy – Personal devices are allowed only for contacting guardians or FTC-related research. Other use is prohibited.
- Independent Learning – Team members may need to complete learning or practice outside of scheduled meetings.
- Academic Standards – Maintain an A/B average in all classes. Grades will be checked weekly; falling below this standard may result in probation or removal.
- Competitions – All competitions are held on Saturdays. Attendance is mandatory.
- Outreach – Participation in outreach activities outside regular meetings is required.
- Fundraising – All team members are expected to participate in fundraising efforts.

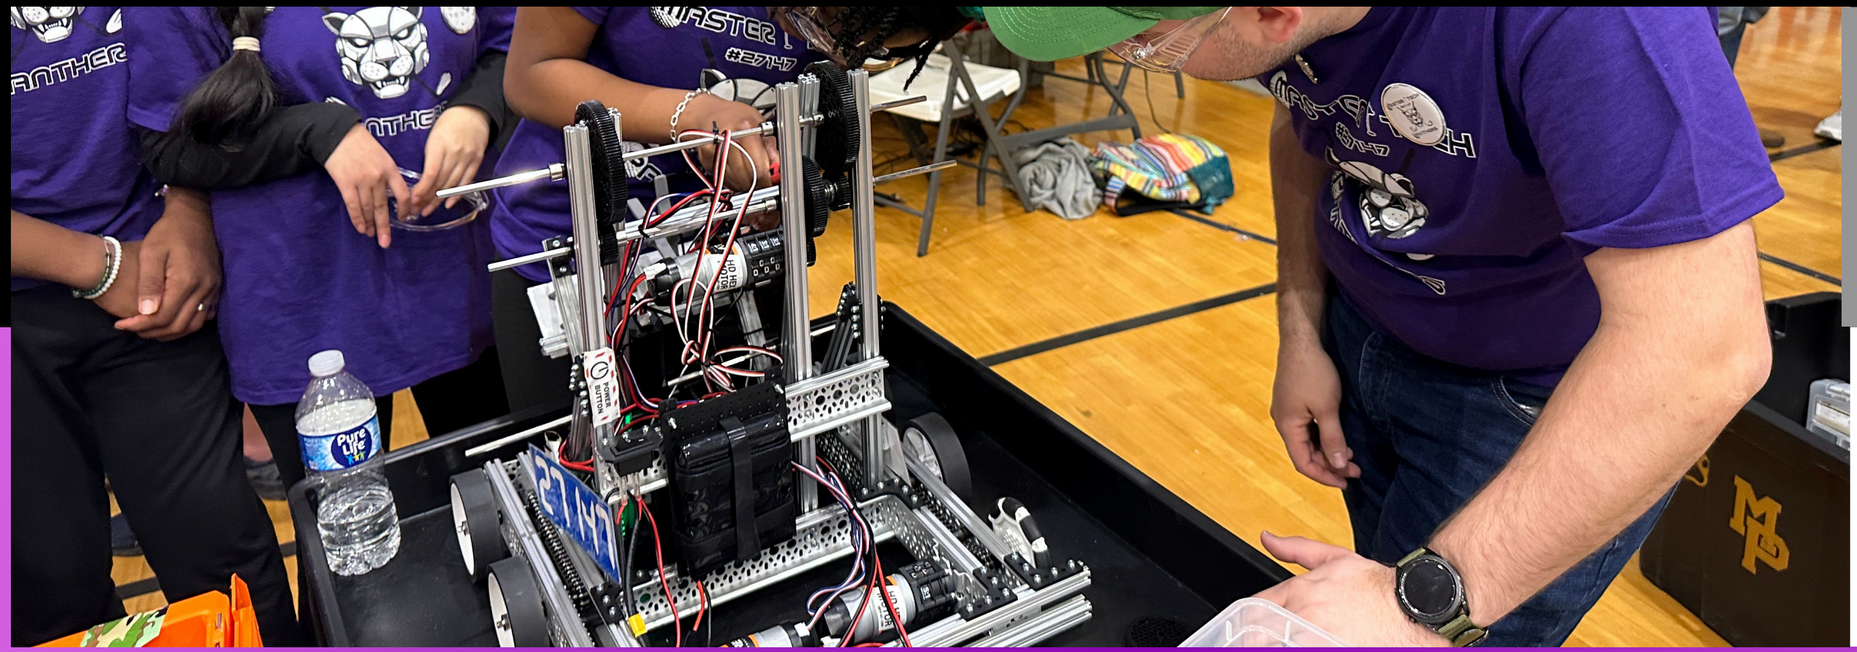
Competition Dates & Location

9/6/2025- Kick-off event 9:30 am-1:30 pm

11/1/2025- Meet #1 8 am-12 pm

12/6/2025- Meet #2 & 3 8 am-3 pm

1/10/2025- Meet # 4 8 am-12 pm



Cost to Participate

Affordable fees ensure every student can join our robotics team with enthusiasm.

Our team has a small participation fee to cover essential materials and registration costs, promoting accessibility for all interested students.

Past Game Highlights

Meet the Master Tech Panthers

Teamwork

Our team members are working together to build a winning robot.

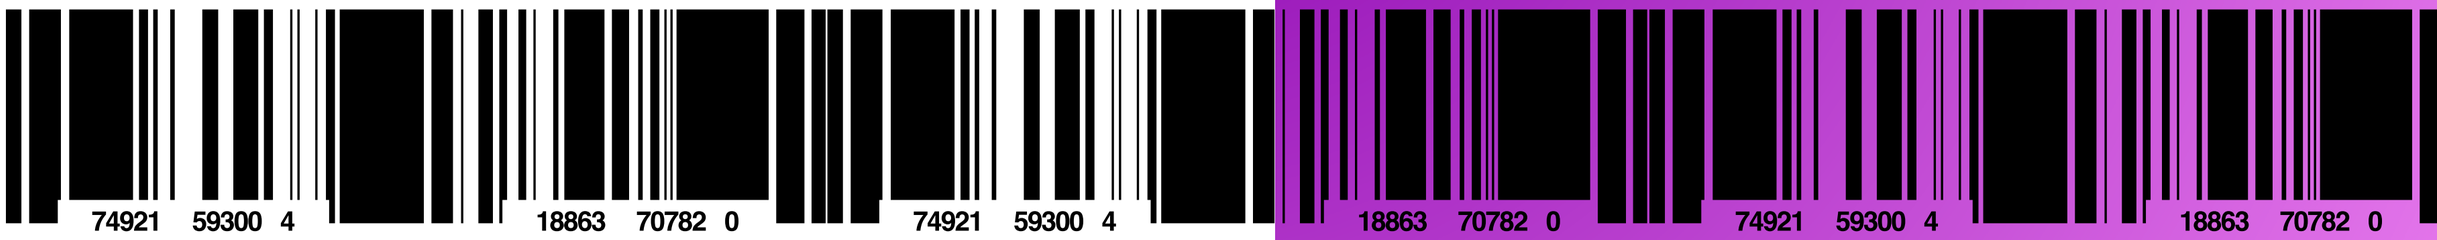
Competition

The excitement is palpable as the Panthers prepare for their next match.

Innovation

Showcasing our robot's capabilities highlights our team's creative problem-solving skills.

Master Tech Panthers

Thank You


Join us to create and innovate with the FTC robotics team!
