

Justin Woodard

MEET THE TEACHER

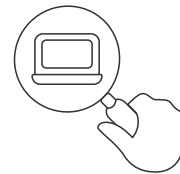

ABOUT ME

I'm the high School Engineering and Technology teacher! I also am the school's SkillsUSA and FRC advisor.

MY BACKGROUND

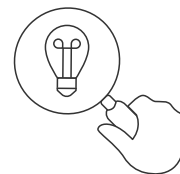

I got my Bachelor's degree in History from Georgia Southern in 2019, and my Master's in Teaching from MGSU in 2020. I have taught engineering for 3 years at East Laurens High School.

MY HOBBIES

I enjoy playing video games and chess. I find that these activities help me to relax and recharge, which in turn helps me be a better teacher. I also love reading many types of books.

MY MOTTO

Do or do not there is no try.
-Master Yoda
