

# **INQUIRER**

A tiger is walking towards the viewer on a snowy mountain peak. The tiger is in the center of the frame, with its body angled slightly to the left. The background consists of a vast, snow-covered mountain range under a clear blue sky. The tiger's fur is a mix of orange, black, and white stripes. The snow is bright white, and the sky is a deep blue.

# OPEN-MINDED

A photograph of two young children sitting together. The child on the left has Down syndrome and is wearing a grey jacket. The child on the right is wearing a pink hijab and a pink shirt, and is smiling broadly while gesturing with their hands. The background is slightly blurred, showing other people in a group setting.

We appreciate our own cultures as  
well as the values of others.

# REFLECTIVE

A black and white photograph of a pair of sneakers on a wet, reflective surface, with their reflections clearly visible below them. The sneakers are dark-colored with white laces and white soles. The surface is dark and glossy, creating a clear mirror image of the shoes. The background is a light, textured surface, possibly a wall or a large window, which is partially visible at the top and sides of the frame.

We work to understand our strengths and weaknesses to support our learning.
