The screenshot shows a PDF document titled "DLE School- Parent Compact" with the following content:

What is a School-Parent Compact?
A School-Parent Compact is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all students reach grade level standards.

Jointly Developed The parents, students, and staff worked together and shared ideas to develop the school-parent compact. Teachers met with their grade team and parent facilitator to design practical strategies for parents to use at home. Parents provided valuable feedback on their needs to help their students. Students completed comment cards to add ideas for the compact. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs. Parents are welcome to provide feedback on the compact at any time during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents.
