

# *Welcome to Ms. Tutt's Class*

*Greetings Parents,*

*It is so very nice to meet you. I am looking forward to meeting my students and getting to know them well. We will work hard, play hard and learn lots of valuable lessons along the way.*

*If you need to reach me, please do not hesitate. We will use Class Dojo, it's a very convenient way for us to communicate. Each student will receive a Class Dojo invitation. If you need to call the school, that number is 706.481.1813.*
