

## myON- Creating Groups

Creating groups allows teachers to differentiate instruction using myON. You can add any student in the system to your groups. You can group students by ability level, subject matter, or interests and assign specific projects to them. For more information of creating projects see the myON-Creating Projects tutorial.

<p>1. Sign into myON with your teacher credentials.</p> <ul style="list-style-type: none"><li>• <a href="http://myon.com">http://myon.com</a></li><li>• School Name</li><li>• Username (email username)</li><li>• Password (first initial + @ + last initial + @ + 721rcs)</li></ul>
