

Richmond Hill Elementary Parents & Community Relations Plan

2024-2025

PCRP Rationale and Purpose

A PCRP is essential for fostering a strong partnership between schools, families, and the community. It provides a framework for:

- **Enhanced student achievement:** Increased parental involvement is linked to higher student performance.
- **Improved school climate:** Collaborative efforts create a positive and supportive learning environment.
- **Stronger community bonds:** Shared goals and activities strengthen the connection between the school and the community.

Parent-Community Contributions

Based on the PCRP, parents and community members can contribute to teaching and learning by:

- **Volunteering in classrooms:** Assisting with reading, math, or science activities.
- **Attending parent-teacher conferences and school events:** Staying informed and providing feedback.
- **Serving on school committees:** Participating in decision-making processes.
- **Mentoring students:** Offering guidance and support.
- **Donating resources:** Providing books, supplies, or financial support.
- **Advocating for education:** Supporting school initiatives at local and state levels.
