Parent Survey Letter

September 15, 2020

Dear Parents and Guardians,

Please review the Title 1 School Parental Involvement Policy, the School-Parent Compact, the Title 1 School Improvement Plan, the Parents Right to Know letter, and the Jenkins White Elementary School website which contains information before completing the survey posted below. We value your authentic feedback and support in educating our children. Thank you for being a helpful part in this process as we strive to better meet the needs of our students.

The survey may be accessed on our website by clicking the link or QR code below, or you may type in the URL to complete the survey. The survey simply serves as a means for parent input and feedback. The results will be used to assist us with future planning and events here at Jenkins White Elementary School. If you have any questions or concerns, please feel free to contact school personnel via the front office or myself, at 706-737-7266. You may also email me at kingst11@boe.richmond.k12.ga.us. Thank you in advance for your participation in helping us to collect important data by way of this survey.

With Sincere Gratitude,

Stacey King

Principal
