ATTENTION: ALL PARENTS

Please make plans to attend and participate in this very important Title I parental involvement meeting as we review, revise and discuss required documents of Title I Parent Involvement.

Each year Title I schools are required to involve parents in the review and revision process of the school parent compact, parent and family engagement policy, and school improvement plan. Parents also have the right to give input and suggestions about how one percent of the Title I parent involvement budget is spent.

This meeting will also review:

What does it mean to be a “Title I” school?

| Title I Program | Curriculum | Parents Right to Know |
