

Remind Codes Ms. Bezue's Classes

Remind allows students and/or parents to text me versus having to write an email. I can send messages to an entire class or individual students so that you are informed as soon as possible. Messages are text messages; however, you can have the messages sent to your email.

Downloading the APP is not necessary. Remind is **FREE** - standard text messaging and data rates may apply, so check to see if you're on a per-text phone plan or a limited data plan.

To join, text to the number **81010**, message should be the code for your class.
