Our Principal:

Dr. Laurie Taylor

Our Mission:

Our mission at Copeland Elementary School is to provide globally, diverse, rigorous, and relevant instruction to prepare **Worldly, Inquiring, Limitless, Determined, Caring, Accountable & Talented Students** in collaboration with the Wildcat community.

Our Story:

Copeland Elementary is located near the intersection of Jackson and Wrightsboro Rd in Augusta, Georgia. Our doors opened in September 1959 to serve the students in this diverse community. Today our school serves nearly 400 students in grades Pre-K through 5. The school participates in the community eligibility option that allows students to have breakfast and lunch at no cost. Royal blue and white are the colors that represent the home of the Copeland Wildcats. We are enthusiastic about serving the students and families our community. Collectively we will strengthen our bonds as we prepare globally diverse students to be open-minded, inquirers, reflective thinkers, and knowledgeable communicators.

Our Students:

400 Enrolled

Special Programs/Fine Arts

- CHAMPS
- Media Specialist, Dixie Shoemaker, RCSS Media Specialist of the Year and East Georgia Regional Library Media Specialist of the Year, 2019-2020

Our CCRPI stats:

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers and ensures that schools are focused on improving achievement among all students. The index measures progress on indicators such as content mastery, student attendance, and preparation for the next school level. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Schools may earn up to a set number of points in five main categories, for a total of 100 possible points. In 2019-2020, statewide accountability was suspended due to COVID-19 closures.
