Our Principal:

Mrs. Lisa Hughey

Our Mission:

The mission of Lake Forest Hills Elementary is to provide a caring and balanced environment that fosters a love for inquiry and conceptual learning while making connections to school and community.

Our Story:

Founded on a philosophy that recognizes a child's natural curiosity, creativity, and ability to reflect, the Primary Years Programme at Lake Forest Hills Elementary generates a stimulating, challenging learning environment to nurture those assets and foster a lifelong love of learning in every child. The aim of all International Baccalaureate programmes is to develop internationally minded people who recognize their common humanity and shared guardianship of the planet, and help to create a better, more peaceful world. Lake Forest Hills focuses on the development of the whole child as an inquirer, both in the classroom and in the world outside. We encourage international mindedness, a positive attitude toward learning, and making connections to real life experiences using the transdisciplinary approach, meaning students learn across subject areas while investigating big ideas.

Our Students:

707 Enrolled

Special Programs/Fine Arts

- IB Primary Years Programme
- Art
- Orchestra
- Beta Club
- Garden Club
- Music
- Spanish

- 2nd place Helen Ruffin Reading Bowl District Winners, 2024-2025
- Artists recognized at the RCSS Art Show and Agnes Markwalter Youth Art Competition

Lake Forest Hills Elementary School 2023-2024 CCRPI Scores

2024 GOSA Single Score: 64.4

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers, and ensures that schools are focused on improving achievement among all students. The index measures student achievement on indicators such as content mastery, student growth on progress, subgroup performance on closing gaps, and various areas including Lexile performance, attendance, and other academic based measurements. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Each individual component score is on a scale of 0-100. Additional data for CCRPI can be found at this address: <https://ccrpi.gadoe.org/>
