OUR MISSION:

"The mission of Pine Hill Middle School is to provide an equitable education that meets the needs of all students."

OUR STORY:

Pine Hill Middle School (Home of the Panthers) opened in August 2009. The school name was selected by the Richmond County School Board of Education and reflects the surrounding Pine Hill Community affiliates, and thus showcases the community's brand. The panther mascot was selected by students, teachers, parents, and community members providing feedback through an online survey. The school is located in rural Hephzibah, Georgia and has that feeling of "home" when you enter the front doors. At our school, we are proud to showcase a great diversity of students and highly-qualified staff members.

Pine Hill Middle School 2023-2024 CCRPI Scores

Component	Score
Content Mastery	34.5
Progress	90.1
Closing Gaps	100
Readiness	75.7

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers, and ensures that schools are focused on improving achievement among all students. The index measures student achievement on indicators such as content mastery, student growth on progress, subgroup performance on closing gaps, and various areas including Lexile performance, attendance, and other academic based measurements. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Each individual component score is on a scale of 0-100. Additional data for CCRPI can be found at this address: https://ccrpi.gadoe.org/
