OUR MISSION:

“The Mission of Pine Hill Middle is to create a structured, safe learning environment which actively involves our students, their families, and community leaders.”

OUR STORY:

Pine Hill Middle School (Home of the Panthers) opened in August 2009. The school name was selected by the Richmond County School Board of Education and reflects the surrounding Pine Hill Community affiliates, and thus showcases the community’s brand. The panther mascot was selected by students, teachers, parents, and community members providing feedback through an online survey. The school is located in rural Hephzibah, Georgia and has that feeling of “home” when you enter the front doors. We are proud to showcase a great diversity of students at the school and all staff members are highly-qualified in their fields.

OUR CCRPI STATS:

College and Career Ready Performance Index (CCRPI) is Georgia’s statewide accountability system. The CCRPI assesses how well students are prepared for college and careers and ensures that schools are focused on improving achievement among all students. The index measures progress on indicators such as content mastery, student attendance, and preparation for the next school level. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Schools may earn up to a set number of points in five main categories, for a total of 100 possible points. In 2019-2020, statewide accountability was suspended due to COVID-19 closures.
