Our Principal:

Mrs. Kimberly Rouse

OUR MISSION:

"The mission of Spirit Creek Middle School is to educate our students to become self-sufficient adults who contribute to their local and global community."

OUR STORY:

Welcome to the Dolphin Dynasty! Spirit Creek Middle School presently accommodates 6th, 7th and 8th graders and has a total student population of 556 and approximately 55 employees who are committed to the school's tradition of excellence. Situated on 30 acres of wooded land in southern Richmond County, Spirit Creek Middle School is a student-centered, family-oriented, technology-focused learning environment that strives to continually ensure the success of the district's number one stake-holders, our students. Toward this end, Spirit Creek offers students classroom experiences that require productive struggle, the development of problem-solving skills, and foster a love for learning. The school's 25-year history began with the foundation laid by Dr. Virginia C. Bradshaw, affectionately known as "The First Lady of Spirit Creek." In August of 2022, current principal Mrs. Kimberly Rouse received the baton of leadership during the 2022-23 SY. Under the direction of Mrs. Rouse, the faculty and staff of Spirit Creek Middle School make data-driven decisions that provide positive outcomes for all students. The Spirit Creek Middle School learning community works tirelessly to foster a sense of belonging in an effort to prepare students to become successful and productive global citizens.

OUR CCRPI STATS:

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers and ensures that schools are focused on improving achievement among all students. The index measures progress on indicators such as content mastery, student attendance, and preparation for the next school level. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Schools may earn up to a set number of points in five main categories, for a total of 100 possible points. In 2019-2020, statewide accountability was suspended due to COVID-19 closures.

Spirit Creek Middle School CCRPI Scores, 2020-2021 vs 2021-2022
