Our Principal:

Mr. Scott Kennedy

## OUR MISSION:

"Our mission is to provide an engaging school experience where arts permeate school curriculum and students ROAR! (Responsible, On-task, Accountable, Respectful)"

## OUR STORY:

Tutt Middle School was named for Mr. John McClinton Tutt, a Mathematics teacher and coach at Lucy C. Laney High School. Mr. Tutt was not only an excellent teacher, but he enjoyed the distinction of being one of the best coaches of his time. An article published in the local newspaper characterized Mr. Tutt as being a noted football official, probably the oldest coach in the South, and the first Black to referee a college football game. Mr. Tutt dedicated fifty years of his life to educating students. Originally there were only ten classrooms in the school, and it was built to accommodate 300 students for grades one through eight. In 1966, Tutt became a 1st through 12th grade school, with the first graduating class receiving their high school diplomas in 1969. Since the early 80's Tutt has been a middle school housing sixth, seventh, and eighth graders. Tutt is located in Augusta, the second largest and oldest city in Georgia. Augusta is best known as the Garden City and home of the Masters Golf Tournament. RCSS operates 56 schools and serves over 30,000 students. RCSS has an International Baccalaureate Program, Top-rated Magnet Schools and Programs, specialized curricula such as STEM (Science, Technology, Engineering and Mathematics), arts infusion, and technology rich classrooms.

## Tutt Middle School 2023-2024 CCRPI Scores

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers, and ensures that schools are focused on improving achievement among all students. The index measures student achievement on indicators such as content mastery, student growth on progress, subgroup performance on closing gaps, and various areas including Lexile performance, attendance, and other academic based measurements. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Each individual component score is on a scale of 0-100. Additional data for CCRPI can be found at this address: <https://ccrpi.gadoe.org/>
