**school  
and  
community**

In 1963, a small group of committed citizens of Augusta decided that the new school should be named for the late Dr. Thomas Walter Josey, and should have as its motto, "Power Through Knowledge". In addition, this group chose the colors Kelly green (power), gold (knowledge), and white (purity) as the school's colors. The eagle (a bird of might) was chosen as the mascot. We very proudly called ourselves the Thomas Walter Josey High School.

## our CCRPI stats

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers and ensures that schools are focused on improving achievement among all students. The index measures progress on indicators such as content mastery, student attendance, and graduation rate. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Beginning in 2018, schools may earn up to a set number of points in five main categories, for a total of 100 possible points. In 2019-2020, statewide accountability was suspended due to COVID-19 closures.

## class rank & grade point average

An official class rank is compiled for each grade that is computed at the end of the year. Averages are carried out to three decimal places and final averages are not rounded. Student's grade point average (GPA) is based on quality points. Regular high school courses are on a 4.0 scale and Advanced Placement, International Baccalaureate, and College/University courses are on a 5.0 scale awarded for each grade earned. High school student transcripts include the GPA, class rank, and numerical average.

**Accredited in 2017-2018**
