Westside High School is located in West Augusta, just minutes from the gates of Augusta National Golf Club. From its origin in 1970, Westside has evolved into a premier comprehensive high school in the Richmond County School System and surrounding area. Our graduation rate continues to lead the district as one of the highest rates around. The Academy of Advanced Placement is a magnet choice option. We are one of two schools in the area that offer the AP Capstone Diploma, the most advanced diploma a high school student can earn. Westside continues to boast the highest AP pass rate for comprehensive schools and is a 2020 Georgia AP Honor School. In addition, Westside offers dual enrollment classes through Georgia Military College, Augusta Tech, and Augusta University. Westside houses a state-of-the-art athletic complex which includes one of the best baseball diamonds and gymnasiums in the state.

our CCRPI stats

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers and ensures that schools are focused on improving achievement among all students. The index measures progress on indicators such as content mastery, student attendance, and graduation rate. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Schools may earn up to a set number of points in five main categories, for a total of 100 possible points. In 2019-2020, statewide accountability was suspended due to COVID-19 closures.

**class rank & grade
point average**

An official class rank is compiled for each grade that is computed at the end of the year. Averages are carried out to three decimal places and final averages are not rounded. Student's grade point average (GPA) is based on quality points. Regular high school courses are on a 4.0 scale and Advanced Placement, International Baccalaureate, and College/University courses are on a 5.0 scale awarded for each grade earned. High school student transcripts include the GPA, class rank, and numerical average.
