Soccer gamedays begin with the Girls match at 5:30p. Boys games normally start at 7:00p. If the Girls game starts at 5:30p and ends early, the Refs are not going to wait until 7:00p to start the Boys game. And there will be some time given between matches for warming-up, but the Boys game would be expected to start earlier.

Tickets for home matches are \$5.00 each (children under 6 get in free).

*Away games may cost more. Check **GoFan** to know for sure.
