 Re: Instruction for Students during Learn from Home

Students with Limited Technology/Internet Access

Rationale: For students with limited technology and/or internet access, Instructional Materials must be downloaded from Canvas. Go to rcboe.org/spiritcreek for instructions. Assignments may be uploaded in Canvas for submission or returned to school. Additionally, students may use a telephone to call into the sessions below. The number will be available on all teachers' webpage for information.

Students with Technology Access for Live Instruction

Rationale: Students with technology and internet access will be able to use Microsoft Teams and Canvas to receive instruction, submit assignments, and receive feedback from teachers. The times below are when teachers will provide **live instruction on Thursday, January 14th and 21st**. **Please choose one session per period.** Sessions will be recorded for parents and students to review at a later time and date. These recorded sessions will be available on the Canvas Platform.
