

Meet the teachers

[E. Varner]

Welcome! This is my 16th year teaching. I have my Bachelor of Science in Applied Mathematics and my Master of Arts in Teaching in Early Childhood Education. I have taught Pre-k, 1st, 2nd and 3rd.

Looking forward to a wonderful year!

Should you have any questions or concerns, please feel free to contact me to arrange a suitable meeting time:

Teaching Philosophy

Class Goals!

- Develop reading skills
- Build math foundations
- Encourage emotional and social development

I believe my role as an elementary teacher is to nurture and encourage the lifelong learning of my students

And will you succeed? Yes! You will, indeed!
