School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Barton Chapel Elementary will provide opportunities to improve parent engagement in an effort to support student learning. Barton Chapel Elementary values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Barton Chapel Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Barton Chapel Elementary School invited all parents to attend an input/revision meeting at the end of the 2024-2025 school year to review and revise this parent and family engagement policy, as well as the school-wide plan, our school-parent compact and the parental involvement budget. Additionally, parent input and comments regarding this plan are welcome during the school year. The plan is posted on our school web site for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey to ask parents for their suggestions on the plan and the use of funds for parental involvement. Parents can also give feedback during several parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Barton Chapel Elementary will provide full opportunity for the participation of parents with limited English, parents of students with disabilities, and parents of migratory children.

Where is it available?

At the beginning of the year, the plan is shared with parents at the annual meeting. The plan will also be posted on the school web site. Parents can also retrieve a copy of the plan in the Parent Resource Center.
