

District Goals

Student Achievement and Success

- During the 25-26 school year, we will increase student content mastery in tested subject areas on the Georgia Milestones by 6%.
- During the 25-26 school year, we will increase post-high school readiness by increasing our graduation rate by 2%.

School Goals/Focus Areas

ELA/Reading

- By June 2026, grades 3-5 will increase the percentage of students scoring proficient or above on the ELA EOG assessment from 10.82% to 25% as measured by the Georgia Milestones Assessment.
- By June 2026, grades 3-5 will increase the percentage of students scoring proficient or above on the Math EOG assessment from 6.57% to 20% as measured by the Georgia Milestones Assessment.

Focus Areas: Practice phonics, sight word fluency, and vocabulary daily. Read to students to build reading fluency, discuss story elements, and build reading comprehension skills.

MATH

- By May 2026, grades K-2 will increase the percentage of students scoring on or above grade level on the i-Ready Reading assessment from 48% to 65% as measured by the EOY i-Ready Reading diagnostic Assessment.
- By May 2026, grades K-2 will increase the percentage of students scoring on or above grade level on the i-Ready Math assessment from 36% to 55% as measured by the EOY i-Ready Math diagnostic Assessment.

Focus Areas: Practice number sense, fact fluency and problem solving daily.

Teachers, Parents, Students

Together we can achieve SUCCESS!

"Where ALL MEANS ALL"

Parents are our partners.

At school

Barton Chapel Elementary School will work with students and their families to support students' success in reading and math. Some of our key connections with families will be to:

- Identify focus areas to be addressed based on students' performance on grade level universal screening data at the beginning of the year.
- Meet with students/families to establish reasonable expected growth targets and a means by which to measure the growth.
- Provide specific strategies to families/students designed to target identified areas of need that can be practiced at home.
- Provide links on class pages to family friendly websites for building reading and math skills.

At home

Barton Chapel's parents joined our staff to develop ideas about how families can support students' success in reading and math. As a parent, I will:

- Parents/Families will ensure regular practice of basic math facts and work on grade level math skills.
- Parents/Families read books within the student(s) recommended Lexile range and ask questions about the reading to help with comprehension skills.

Barton Chapel Student Commitment

Barton Chapel Elementary students joined staff and parents to develop ideas about how they can succeed in school and aim to go the distance in math and reading. Students thought of the following ideas about how they can make the connections between learning at home and school:

- Students will practice basic math facts. Students will also use mental math strategies from Number Talks.
- Students will read for at least 20 minutes each night.
- Students will give newsletters and other communications about school events and classroom instruction to my parents.

What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, teachers, and students develop together to promote success and high academic achievement in our school.

It explains how parents and teachers will work together to make sure all students get the individual support they need to meet and exceed grade level standards.

Jointly Developed with Parents

The parents of Barton Chapel Elementary School helped to develop this compact for achievement. School wide meetings are held each year to update the compact. An input/revision meeting was held in March 2025 to gather more feedback from parents and stakeholders. Parents are welcome to contribute comments at any time.

For more information on the school compact please contact Corinna Walker at (706) 796-4955.

Building Partnerships

Report Cards

- January 12, 2026
- May 2, 2026

Parent-Teacher Conferences

- September 15-October 10, 2025
- February 17-March 15, 2026

Parent Workshops

- Volunteer Training- TBA
- Muffins for Moms, Donuts for Dads, & Goodies for Grands- During Fall & Spring Scholastic Book Fairs

Other Events

- Tears and Cheers- August 2025
- Trunk or Treat- October 2025
- Winter Holiday Program- December 2025
- Family Game Night- January 2026
- Math Night- March 2026
- Spring Literacy Night – April 2026

Communication About Student Learning

Barton Chapel Elementary is committed to communicating regularly with families about children's learning. Some of the ways you can expect us to communicate are:

- Parent Portal
- Newsletters
- Parent-Teacher conferences (Fall & Spring)
- Class Dojo
- School website/Facebook
- Infinite Campus (ShoutPoint)
- Canvas

If you have any questions about your child's progress, please contact your child's teacher at (706) 796-4955.
