

MRS. BEVERLY LOWERY

Teaching is an absolute passion of mine! I am so excited to work with you and your child! It's going to be a year full of fun, learning, and lots of adventure and I can't wait to see what the year has in store for us! You might like to know a little bit about me.

I am married to my wonderful husband, James. We have a daughter (Brianna), who is a Dental Assistant Instructor and a son (Brian) who is a Marketing Designer! Brian lives in Atlanta and Brianna has relocated from Atlanta to Charlotte, NC. She is also the proud mother of a son and twin girls! I fill my free time pursuing other interests, enjoying my grandchildren, and traveling with my husband!

Being a military family, we have lived in several different states and Germany, but we were excited to settle in Augusta, GA! We are both from Charlotte, NC, so we're only two hours away! I earned my educational degree at Brenau University, but I have a culinary and business degree as well. I also sell Real Estate in my spare time!

This will be my fifth year teaching 6th grade Math at Spirit Creek and my second year teaching 6th grade science! I absolutely love teaching Middle Grades students! It is my mission to instill a love for learning in my students and try to teach with a passion for my subject so that my students develop a desire to become life-long learners.

Please let me know if you have any questions or concerns. It is so important to keep communication open between us and I would love to talk to you whenever you feel the need! I look forward to a great year together!
