

# Meet The Teacher

## Ms. Miller

### Hello!!

Welcome to the beginning of the new academic year! I am excited to embark on this educational adventure with your child. With eight years of teaching experience in kindergarten at Bayvale and having been a student of the Richmond County School System myself, my goal is to bring happiness and enthusiasm to every student's educational journey. Teaching is not just a profession for me; it is a deep passion, and I am dedicated to establishing a supportive and inspiring learning environment for all students.
