

AT-HOME LEARNING

March 2020

Abruptly having to continue your child's learning at home can be stressful. Hopefully, the calendar/schedule & materials the 2nd Grade Team prepared and sent home on March 16th has been helpful. Richmond County School System has put additional resources into place and can be explored by visiting their website at

<https://www.rcboe.org/Domain/15361>.

Friendly Suggestions

Practice healthy habits to keep yourself and others healthy.

If you don't feel well, don't worry about your school work until you're better.

Complete assignments relative to our normal learning day. (click "Our Schedule" link on the left)

Do not attempt to complete everything at one time.

Learn with a parent or family member who can help you.

Send me a message on ClassDojo if you need help. Request a phone call if you need to speak with me.

Try **YOUR** best.

Take a break when you need it.

Read for 20 minutes every day. I don't want your reading muscle becoming weak!
