

Welcome to 2nd Grade!

My name is Ms. Kelly and I have the pleasure of facilitating a year of learning and growing for your child.

Experience

This is my sixth year teaching. I have taught kindergarten, 1st, and 2nd grade. Prior to teaching, I supported students as a paraprofessional for five years. I have a Master of Arts in Teaching from Augusta University.

My Goals

My goals are to create an environment where all students feel they are safe, they belong, they can be themselves, and they can learn. It is also my goal to teach students to be lifelong thinkers, lovers of reading, and a person with good character.

We Will Learn

The curriculum is standards-based. We will focus on reading, writing, math, science, and

social studies. In addition to core content, students will engage in social-emotional learning. You may explore the 2nd grade standards by visiting "Resources" on my teacher website or GeorgiaStandards.org.
