

Welcome to 2nd Grade!

My name is Ms. Kelly and I have the pleasure of facilitating a year of learning and growing for your child.

Experience

This will be my fifth year teaching. I have taught kindergarten, first, and second grade. Prior to teaching, I supported students as a paraprofessional for five years. I have a Master of Arts in Teaching from Augusta University.

A Little About Me

I'm from Massachusetts.

I'm a cat person.

My favorite subject in school was art.

I've studied abroad in Jamaica & Ecuador.

I love art, the beach, coffee & donuts, and reading.

My favorite part of teaching is igniting that spark for learning and reading students a story.

My Goals

My goals are to create an environment where all students feel they are safe, they belong, and they can learn. I will also strive to teach students to be life-long thinkers, lovers of reading, and a person with good character.

We Will Learn

The curriculum is standards-based. We will focus on reading, writing, math, science, and social studies. You may explore the second grade standards by visiting the Georgia Department of Education's [website](#).
