

WELCOME TO 4TH GRADE

Dear Parents

My name is Mrs. Daniels and I am so excited to have your child in my classroom this year. I look forward to getting to know each student and their family. I am sure you are ready for our new school year and so am I. Each school year parents have several different ways of contacting me through my email, text message, cell phone, and my landline. Each parent will receive this information during open house. I am looking forward to a wonderful year!
