What is Title I?

Richmond Hill Elementary is identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards to reinforce and enhance

efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with parents a written parental involvement policy.

What is it?

This plan describes how Richmond Hill Elementary School will provide opportunities to improve parent engagement and support student learning. Richmond Hill Elementary believes that parent involvement means the participation of parents in regular two-way and meaningful communication about student academic learning and other school activities. We value the contributions and involvement of parents in establishing an equal partnership for the common goal of improving student achievement. This plan describes how Richmond Hill Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and home.

How it was created and how it is revised?

EOY Title I meeting was held at Richmond Hill K-8 virtually. Parents were invited to share their ideas and opinions in revising/creating a new school policy and compacts, that would serve as the foundation for parental engagement at Richmond Hill Elementary School.

Revisions will occur throughout the year. Parents will be invited to the Annual BOY and EOY Title I Meetings, as well as, Input/Revision meetings. Input/Feedback are welcomed anytime. Feedback/Comments sheets will be located in the Parent Resource Center.

Who is it for?

All students participating in the Title I, Part A Program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Richmond Hill Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

The plan is available on the school website and in the office. Parents can also obtain a copy from the Parent Resource Center.
