

What is a School – Parent Compact?

A School-Parent Compact is a written agreement where parents, students and teachers agree to share responsibility for the development and learning of the student. It explains how each will work together to provide the necessary support and communication to assist students in reaching the state standards for their grade level.

Jointly Developed

The Staff, parents, and students of C.T. Walker Magnet School collaborate in this School-Parent Compact to improve student success. Teachers will utilize conferences and newsletters to recommend tips and strategies to assist parents in helping their child to increase learning, parents will ask questions and give suggestions to make learning at home better, and students will communicate, to teacher and parents, what will help them to learn. Annual Meetings give parents an opportunity to review the compact and make changes based on the needs of our students.
