

What is a School-Parent Compact?

It is a written agreement describing how all members of a school community (parents, teachers, principals, and students) agree to share responsibility for student learning. This compact helps build a bridge between the school and home to encourage learning, communication, and achievement for all students.

Jointly Developed

Parents, students, and staff partnered together to develop this school-parent compact for achievement. Parents are encouraged to attend annual revision meetings held in the spring each year to review the compact and make suggestions based on student needs and school improvement needs.

Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding current Title I programs and policies.

Activities to Build Partnership

Cross Creek High School promotes parental engagement through various events and programs such as:

- Parent Workshops
- Annual Title I and Input Meetings
- Curriculum Night
- Community Night
- Nutrition Night
- Spring Festival
- Parent Conferences may be scheduled through the Guidance Department

Communication about Student Learning

Cross Creek High School is committed to frequent two-way communication with families about children's learning:

- Updates on the school website and link to Infinite Campus or Canvas
- Student progress reports (issued every 6.5 weeks)
- Parent-teacher conferences
- Phone call or notes

Please call 706-772-8140 to schedule an appointment with your child's teacher or visit our website at <http://rcboe.org/crosscreek>.

District Goals

During the 25-26 school year, we will increase student content mastery in tested subject areas on the Georgia Milestones by 6%.

During the 25-26 school year, we will increase post-high school readiness by increasing our graduation rate by 2%.

School Goals

By the end of the SY2026, 75% of teachers will demonstrate growth in the implementation of high-impact strategies, as evidenced by observations.

By the end of the SY2026, the gap in math proficiency between SWD and their general education peers will decrease by at least five percentage points.

By the end of the SY2026, 5% increase in students reporting a sense of belonging at school (as measured by the annual climate survey).

Focus Areas

Algebra C & C
Literature II
Positive, Supportive Relationships

Teachers, Parents, and Students—Together for Success

In the school

CCHS teams will work with students and their families to support student's success in reading, language arts, and math.

- Offer two curriculum night per year concentrating on math and literature
- Provide parents with a home learning kit full of material dealing with geometrical shapes, compare and contrast of literary text.
- Provide a link on the school website to Edmodo which would give parents an opportunity to access and review strategies which can assist with assignments at home.
- Ensure grades are put in Infinite Campus in a timely manner for families to access students' progress.

Student

CCHS students will join staff and parents to develop ideas about how they can succeed in school.

- Monitor progress using Infinite Campus.
- Commit to graduate in four years with cohort and ask for help when needed.
- Bring home all correspondence related to school activities and events.
- Ensure that they provide their families with the home learning kit.

At home

CCHS parents will join staff to develop ideas about how best for families can support student success in reading, language arts, math, science and social studies

- Try to attend Family Literacy Nights, Math/Science Nights, Parent Workshops, Parent committee meetings, and Parent/Teacher conferences.
- Use materials available in the Parent Resource Center that can be signed out and used at home, and utilize the home learning kit to assist their students with assignments at home.
- Use the provided links on the school website to access Edmodo to review and utilize strategies that will help them assist their students at home.
- Monitor students progress using Infinite Campus
