

## **What is a School-Parent Compact?**

A School-Parent Compact is a written agreement where parents, students and teachers agree to share responsibility for the development and learning of the student. It explains how each will work together to provide the necessary support and communication to assist students in reaching and exceeding grade-level state standards.

### **Jointly Developed**

We at Tobacco Road Elementary feel grateful to have developed this School-Parent Compact to improve student achievement with the input of parents, students and staff. Teachers will utilize conferences and newsletters to recommend tips and strategies to assist parents in helping their child to increase learning. Parents will ask questions and give suggestions to make learning at home better. Students will communicate to teachers and parents what will help them to learn. Annual Meetings give parents an opportunity to review the compact and make changes based on the needs of our students.
