

Warren Road Elementary School

Vision	Mission	Beliefs
To prepare every student to thrive, adapt and lead in an ever-changing world.	To foster lifelong learning by nurturing students’ growth academically, physically, artistically, socially, and emotionally in a supportive and challenging environment.	Every student can learn and succeed. Respect for diversity builds a positive environment. High expectations drive growth. Teaching must adapt to all learners. Strong school, home, and community partnerships support learning and character.
Accelerate & Remediate	Power in Communication	Inspire, Create, Engage
Objectives	Objectives	Objectives
<ul style="list-style-type: none"> By May 2026, the percentage of students scoring on or above grade level will increase by 10% on I-ready ELA (K-2) and GMAS ELA (3-5). 	<ul style="list-style-type: none"> By 5/26, we'll build family & community ties to create a supportive, empowering space that fosters students’ academic, social & emotional growth. 	<ul style="list-style-type: none"> By May 2026, the percentage of students scoring on or above grade level will increase by 10% on I-Ready Math (K-2) and GMAS Math (3-5).
Critical Initiatives	Critical Initiatives	Critical Initiatives
<ul style="list-style-type: none"> Use data to provide targeted interventions tailoring acceleration and remediation to each student's strengths and developmental needs. Utilize student-centered progress monitoring tools Create individual & group enrichment projects incorporating arts, drama, music, and movement using Arts Now researched based strategies. 	<ul style="list-style-type: none"> Foster community voice partnerships to collaborate with local organizations through listening sessions and shared projects that reflect community input. Conduct SEL and wellness dialogues to engage families in two-way conversations around student well-being, fostering shared strategies and support. Host parent and community events that create opportunities for stakeholders to co-design enrichment tasks and provide mentorship with students to support academics. 	<ul style="list-style-type: none"> Use data to provide targeted interventions tailoring acceleration and remediation to each student's strengths and developmental needs. Use student centered monitoring tools. Create individual & group enrichment projects incorporating arts, drama, music, and movement using Arts Now researched based strategies.
