

What is a School-Parent Compact?

A School-Parent Compact is a written agreement that parents, students and teachers agree to share responsibility for the development and learning of the student. It explains how each will work together to provide the necessary support and communication to assist students in reaching and exceeding grade-level state standards.

Jointly Developed

The parents, students, and staff of Deer Chase Elementary created this School – Home Compact to improve student achievement. Teachers will utilize conferences and newsletters to recommend tips and strategies to assist parents in helping their child to increase learning. Parents will ask questions and give suggestions to make learning at home better. Students will communicate to teachers and parents what will help them to learn. Title I Annual Meetings are held at least once a year to review the compact and make changes based on student needs. Parents are welcomed to provide feedback on the compact at any time during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents.
