

Building Partnerships

Parents get ready to become engaged with upcoming activities!

What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all students reach grade level standards.

Jointly Developed The parents, students, and staff worked together and shared ideas to develop the school-parent compact. Teachers met with their grade team and parent facilitator to design practical strategies for parents to use at home. Parents provided valuable feedback on their needs to help their students. Students completed comment cards to add ideas for the compact. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs. Parents are welcome to provide feedback on the compact at any time during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents. Please visit our website, <http://diamondlakes.rcboe.org/> If you have any concerns about your child's progress, please contact your child's School Principal, Mrs. Jeffers by phone (706) 771-2881 or e-mail at jeffeal@boe.richmond.k12.ga.us

Communication about Student Learning

Join us for our Family Engagement Activities for the 2025-2026 school year. Monthly Volunteer Training, Infinite Campus Training, Family Fun (Curriculum Nights) and the feeder school Parent University. Parent University consists of feeder schools which provide various class sessions on academics from elementary, middle, and high school level.

Scheduled Activities

Title 1 Parent Meeting (B.O.Y.) September 9, 2025	
A Grand Day with Grandparents! September 6, 2025	
Parent Teacher Conference Window 9/15/25 -10/10/25	Parent Teacher Conference Window 2/17/26 - 3/16/26

Diamond Lakes Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- ❖ Newsletters to Parents
- ❖ Homework Folders
- ❖ School-Wide Remind
- ❖ Phone Calls/Canvas
- ❖ Updates on the school website and current grades in infinite campus.
- ❖ Parent-teacher conferences in September and February
- ❖ Open Door Policy

Focus for Student Success

Our Goals for Student Achievement

District Goals

Student Achievement

- During The 25-26 school year, we will increase student content mastery in tested subject areas on the Georgia Milestones by 6%.
- During the 25-26 school year, we will increase post-high school readiness by increasing our graduation rate by 2%.

Talent Development

- During 25-26 school year, we will increase teacher and support staff retention by 3% through consistent, meaningful employee feedback & evaluations.

Safe & Secure Learning Environment

- During the 25-26 school year, we will improve the on-time delivery rate of student transportation services by 5%.
- During the 25-26 school year we will reduce chronic absenteeism by 3%.

Diamond Lakes Elementary School Goals

Goal 1:

By the end of 2025-2026 school year, DLE will increase students' academic achievement in mathematics from 57% to 62% scoring at the developing level or above as measured by GMAS.

Goal 2:

By the end of the 2025-2026 school year, DLE will increase student performance reading at or above grade level from 43% to 50% as measured by GMAS.

Goal 3:

By the end of 2025-2026 school year, DLE will decrease the number of students with 10 or more absences from 40.84% to 35%.

School: What Teachers Will Do at School

Diamond Lakes Elementary School will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

Math: We will provide students with Number Talks lessons daily in math instruction. As well as daily fluency stations will be utilized in all classrooms. We will teach daily with manipulatives and provide for student use in stations. We will also be utilizing resources from Inspire, especially the learning plans.

Reading: Teachers will provide information about I-Ready, using Lexile scores, Sadlier Phonics to Reading, Sadlier Vocabulary, Sadlier Grammar, Sadlier Progress while using My View Literacy as our curriculum resource. We will also be utilizing resources from Inspire to help accelerate and remediate students.

What Families Will Do at Home

Diamond Lakes Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math.

Math: I will have my child practice grade level math strategies using Number Talks lessons and use Mental Math strategies from Number Talks every day.

Reading: I will log my child onto MyOn and I-Ready reading daily and have them read from their recommended Lexile range (spans from 100L below to 50L above).

Students: What Students Will Do

Diamond Lakes Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Students thought of the following ideas to make connections between learning at home and school: » Math: Each night, I will practice math strategies with I-Ready. I will also use my Mental Math strategies from Number Talks. » Reading: I will spend 20 minutes each night reading from MyOn's recommended reading list or a book that is at my level (spans from 100L below to 50L above my Lexile measure).
