School-Parent-Student Compact

What is a School-Parent Compact?

It is a written commitment describing how all members of a school community—parents, teachers, Principals, and students—agree to share responsibility for student learning. This compact helps bridge the learning connection between school and home.

Celebrating Student Success!

In light of the fact that we would like this year to begin and end smoothly, we are opening our doors early to those parents who are not able to attend our p.m. events. We will be here for you at 7:00 a.m. daily. We are building a world-class school system through education, collaboration, and innovation.

Improving Vocabulary

As a school – We will distribute a list of content vocabulary for parents and students to master at home in addition to teacher recommended educational Web sites for extra practice in developing vocabulary, and provide parents with a progress log to monitor students' practice on the vocabulary Websites.

As a parent – I will ensure that my child masters the list of content area vocabulary words by the end of each nine weeks grading period, and ensure my child spends 45 minutes every week practicing on the recommended vocabulary websites by
