## Principal's Message

Greetings Seminole Family,

Welcome to the 2022-2023 school year. I am honored to serve as Principal at GHMS #wearetheGLENNHILLSMIDDLE. I am excited about the opportunity to start my first full year here with you all. I am looking forward to working with all stakeholders so that WE may give the students, parents, teachers and community partners what they need to be successful in class as well as in life. #ITTAKESAVILLAGE

I look forward to partnering with you to provide your child a world-class academic experience. We will continue to use Canvas as a Learning Management System. Please become familiar with Canvas by visiting [rcboe.org/canvas](https://rcboe.org/canvas). To monitor your child's success, you may view the Parent Portal in Infinite Campus. Passwords are the same as last year. If you need your Parent Portal password, please contact our Parent Facilitator, Ms. Donna Cooper. We will make sure that we offer parent training in the area of Canvas as well as Infinite Campus for parents and guardians. Also this year, students will still be afforded the opportunity to have 1:1 Technology.

We are dedicated to creating a culture of accountability and a climate of celebration. We are dedicated to instilling the desire to learn and providing our students with the tools to excel, while guiding them to become productive, responsible, and self-reliant citizens. We are motivated to ensuring that all students are successful and that we nourish their desire to grow academically, socially and emotionally. We are committed to providing students with a quality education through a rigorous curriculum in a safe, nurturing environment.

I encourage all parents, family members, and community members to take a part in the many opportunities to get involved in the educational process...remember #ittakesavillage and we are in this together. We want to make this year the best year ever. I look forward to working with each of you.

Educationally Yours,

*Ms. Angela Anderson Moore, Principal*
