## GHMS PARENT CENTER WELCOME

Hello and welcome everyone. My name is Donna Cooper. I will be your Parent Facilitator at Glenn Hills Middle School. I am honored and excited to have the opportunity to serve the school community and assist parents in the education of their children. As the parent facilitator, I will work closely with parents and school administration to create an environment that is welcoming and focused on improving the involvement of parents of students at Glenn Hills Middle School.

I will serve as the liaison between school and parents; having the responsibility to relay the needs of one to the other. I will also serve as a school-based intermediary contact for concerns and comments made by parents and community members, will promote sharing of power with parents as decision-makers, and very importantly, I will help parents understand the educational system so that they may become better advocates for their children's education.
