

What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

- ◆ Describe how teachers will help students develop those skills using high quality instruction.
- ◆ Share strategies parents can use at home.
- ◆ Explain how teachers and parents will communicate about student progress
- ◆ Describe opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents ,students, and staff at Hains Elementary developed this School-Compact for Achievement .Teachers suggested home learning strategies ,parents added ideas to make them more specific , and students held each year to review the compact and make changes based on students needs.
