What is a Title 1 school?

Title 1, Part A of the Every Student Succeeds Act of 2015 (ESSA)

provides financial assistance to states and school districts. **It's overall purpose is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and assessments.**

Title1 Funding

- ❖ 1% of the total District's Title1 funding is for **Parent Involvement**
- ❖ Title1, Part A
Must have input from **parents**

How does the school spend funds?

Title1 Part A

Title1 funds are authorized and can be used to provide **additional staff, professional development; instructional materials; improve curriculum; enhance parental involvement; extended learning time for students who need extra help; and provide other activities that are tied to raising student achievement on the State's academic achievement standards.**

Requirements For a Title 1 Schoolwide Program

- A Title 1 school is eligible to become a Title 1 Schoolwide Program when the poverty level, (determined by free and reduced meal counts, Aid for Dependent Children [AFDC], census, or Medicaid) is at or above 40%.
- Serves all students in the school, but requires special focus for lowest achieving students
- Combines federal funds into total school budget
- Is supplementary. The amount of Federal funds used in a schoolwide program must be supplemental to the amount of State and local funds the school would otherwise receive.

An agreement between all stakeholders to ensure that students are meeting their educational goals.

School Parent and Family Engagement Policy

Each school that receives Title 1 funds must jointly develop, agree on with, and distribute to parents of children receiving services a written parental involvement policy.

The school parental involvement policy describes how the school will carry out the parental involvement requirements:

School - Parent Compacts

Each school that receives Title 1 funds must jointly develop and revise with **parents** a school-parent compact as part of the school-level parental involvement policy.

The school-parent compact is an agreement that outlines how **parents**, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and **parents** will build and develop a partnership to help children achieve the state's high standards.
